Sprint Plan 3
SmartTick

High Level Goals:
- Be able to see analysis of a given stock using trade data and historical data
- Be able to see a graph of a listed stock
- Various filter systems to organize stocks by politician, party, or other categories

User Story 2.1 - As a user, I want to see analysis of a stock so I can make more accurate assessments of a stock's value and make better trading decisions. (18) (Moved to sprint 3)

User Story 3.1 - As a user, I want to be able to see more information about the company when I click on their stock, so that I can decide if I want to invest in this stock (16)

User Story 3.2 - As a user I want to see a graph feed of a given stock when I click on it so I can better judge it's performance (4)

User Story 3.3: As a user, I want to be able to click on a politician's face and see a page displaying their profile (10)

User Story 3.4 - As a User I want to be able to filter Stocks by Legislature's party, state, or other stats (8)
